

Radio Gate International's Products & Services

Technical Solutions to help your business succeed.

- **Product Marketing & E-Commerce Solutions:** Unleash the power of E-Commerce with the Radio Gate e-Thusiasm Online Store Solution. This customizable solution allows you to sell your products and services to the world 24 hours a day, 365 days a year. This solution works in conjunction with a complete marketing approach, Radio Gate will make sure your products are seen. Our marketing approach is the most comprehensive in the industry, from web advertising to print publication advertising to full fledged TV commercials.
- **Customer Feedback/Survey Deployments:** Do you know what your customers want? Would you like to be more in tune with your customers' wants and needs? A solution is simple. Let Radio Gate develop a customer feedback survey that enables you to have a better understanding on how you can better serve your customers. This deployment also includes complete fulfillment of Gift/Incentives programs for survey participants and 1-800 Help Desk Support.
- **e-Learning/ CME Lecture Hosting:** Radio Gate develops fully interactive computer based training programs to help your clients and staff quickly learn how to use your products and services. These training programs are a vital part of corporate training, license practice exams and/or Online Lecture Hosting. Radio Gate also provides CBT training for Physicians who need to maintain their Continuing Medical Education credits. We have also developed the **Live2Web Video Solution**, here Radio Gate is able to video broadcast your company's lectures to a wide variety of formats (web, CD, DVD).

CD/DVD Authoring and Duplication: At Radio Gate we offer the finest in CD duplication and DVD authoring. Our CDs come in a variety of sizes and shapes to better fit

any of your project specifications. Our DVD authoring is composed of a complete interactive experience, with cutting edge features like picture in picture navigational menus to on-screen digital effects. Your clients will certainly see the difference when your company's videos are in Digital!

Typesetting, Design Layout and Printing: Radio Gate utilizes 5 Color Heidelberg Printing and Variable Data Printing to offer our clients the highest quality digital printing in the industry. Our turn around times are exceptional, so you will receive the documents, binders and print projects you need... when you need them.

- **Trade Show/ Direct Mail/ Large Format Print:** In marketing your business you need to put your best foot forward. We'll help you do that with our trade show and direct mail packages. From post cards, letterhead and full color mailers to digitally printed poster-size signs for your booth, let Radio Gate help you stand out from the crowd.

Web Development and Maintenance: Our goal is to create a web site for your business that will not only drive leads and create cash flow but will also maintain that energy throughout the life of your business. With the **Radio Gate Web Maintenance package**, all of this information can be tracked, calculated and improved simply by calling our customer service department. Let us educate you on the skills and techniques that will make your company more productive.

Web & Email Hosting: We are different... with a standard hosting company you are required to understand how to alter and adjust your account and when you reach a dead end your only form of customer service is to troubleshoot your questions through a complicated web forum. This is **not** how Radio Gate services our clients. With our 24-7 monitored hosting packages your solutions are only a phone call away.

- **Dedicated/Co-Location Servers:** Don't go through the hassle of hiring technicians to wait around just to update your server. That costs your company time, money and resources that could be better used elsewhere. Consider Radio Gate's 24-7 Server Facility with cutting edge servers at a very affordable rate.
